

WEBVTT

1

00:38:28.440 --> 00:38:33.140

City of Toledo: with the Okay, so after you've all seen the building.

2

00:38:36.790 --> 00:38:43.239

City of Toledo: outside of what we started with, but trust me, I heard one comment, oh my god.

3

00:38:51.470 --> 00:38:52.350

City of Toledo: Sport.

4

00:38:52.660 --> 00:38:53.560

City of Toledo: [REDACTED]

5

00:38:59.550 --> 00:39:08.309

City of Toledo: Oh, like, city operational downstairs, police downstairs, and then in the middle.

6

00:39:08.940 --> 00:39:11.190

City of Toledo: Out of what, like, all, like, the public...

7

00:39:11.360 --> 00:39:17.569

City of Toledo: office. Essentially, like, police public office, city public, No, that is.

8

00:39:19.540 --> 00:39:21.679

City of Toledo: Where's City Council gonna meet at?

9

00:39:22.270 --> 00:39:28.099

City of Toledo: Cyber. That would be... that would be my guess, because... It's bigger than you think.

10

00:39:29.250 --> 00:39:34.839

City of Toledo: It's big enough, if you look at footage, at the square footage of what we currently use.

11

00:39:35.220 --> 00:39:36.670

City of Toledo: City Council Chamber.

12

00:39:37.710 --> 00:39:38.600

City of Toledo: Okay.

13

00:39:38.710 --> 00:39:46.630

City of Toledo: Yes, we would probably have to use a bigger room for a giant town hall meeting or anything like that, but I'll be...

14

00:39:46.940 --> 00:39:50.479

City of Toledo: 90% of our seats go unused at City Council meetings.

15

00:39:51.400 --> 00:39:56.289

City of Toledo: Okay? So... That room's big enough to hold

16

00:39:56.420 --> 00:40:01.560

City of Toledo: What turned out to be probably 75% of our council meetings.

17

00:40:01.680 --> 00:40:05.959

City of Toledo: Because of the amount of dead space you have between the chairs and the dais.

18

00:40:06.490 --> 00:40:13.110

City of Toledo: If you take and just minimize that, and just take half of that space and put it to use, it fits in there.

19

00:40:13.720 --> 00:40:15.540

City of Toledo: Is that a weight-bearing call?

20

00:40:16.360 --> 00:40:22.350

City of Toledo: Don't think so. Yeah. So, I mean, we can move it out another 8 feet, so... But that's...

21

00:40:22.670 --> 00:40:26.459

City of Toledo: Right, to the edge of the door. But that's, you know, those are things we can work on.

22

00:40:27.620 --> 00:40:28.769

City of Toledo: Anyone else?

23

00:40:31.010 --> 00:40:36.710

City of Toledo: I'll just say the storage in the current City Hall that you talked about in the basement, you been down there?

24

00:40:36.900 --> 00:40:38.070

City of Toledo: Yep, yep.

25

00:40:38.840 --> 00:40:40.870

City of Toledo: It needs to be downstairs.

26

00:40:41.910 --> 00:40:42.880

City of Toledo: Missy.

27

00:40:44.310 --> 00:40:53.469

City of Toledo: She knows all about our storage facilities, and I am sorry we owe you a great gratitude.

28

00:40:54.240 --> 00:40:55.850

City of Toledo: Thank you.

29

00:40:56.090 --> 00:40:57.416

City of Toledo: I agree.

30

00:40:58.500 --> 00:41:05.269

City of Toledo: those tunnels that connects City Hall? Have those been completed right now, or...

31

00:41:07.350 --> 00:41:15.890

City of Toledo: That connects to City Hall. I'm not sure what their status is because of the 2008 Fremont Main Street.

32

00:41:16.450 --> 00:41:21.230

City of Toledo: The 2008 model of Main Street, for those of you that don't know, when we went in and did that.

33

00:41:21.910 --> 00:41:22.920

City of Toledo: And...

34

00:41:23.160 --> 00:41:31.669

City of Toledo: Mayor Bransteader had a great idea, and it was a wonderful idea, but the problem is once we popped some of those sidewalks, that's when we found all these tunnels everywhere.

35

00:41:32.160 --> 00:41:37.040

City of Toledo: So, I'm not sure what they did, With those tones.

36

00:41:37.640 --> 00:41:45.039

City of Toledo: Okay, on whether they had to just fill them in with gravel, and so they could put new sidewalks and redo the trees or not.

37

00:41:45.210 --> 00:41:52.500

City of Toledo: I know that, the one down that connects the timbers to the Masonic Lodge, I know that one is still there.

38

00:41:53.010 --> 00:41:59.050

City of Toledo: And it's boarded off, but that's the only one I am sure of that is still

39

00:41:59.220 --> 00:42:00.740

City of Toledo: Open, as it were.

40

00:42:01.010 --> 00:42:05.289

City of Toledo: And I think it was because it was... it was deep enough that they didn't have to mess with.

41

00:42:08.310 --> 00:42:13.499

City of Toledo: Thank you, Greg, for that wonderful piece of up in the community.

42

00:42:15.670 --> 00:42:24.990

City of Toledo: So, for example, to talk about the tunnel. It has been brought up to me now, twice in the last 6 months, about why don't we do something like as Scoria does?

43

00:42:26.140 --> 00:42:29.280

City of Toledo: Because the authority has an underground that...

44

00:42:29.650 --> 00:42:32.840

City of Toledo: From prohibition era, same as ours, blah blah blah.

45

00:42:32.990 --> 00:42:39.059

City of Toledo: My issue is the amount of time it takes to find, secure, and renovate office homes.

46

00:42:39.210 --> 00:42:41.330

City of Toledo: It's beyond anything the city can do.

47

00:42:42.500 --> 00:42:50.370

City of Toledo: What were the titles for? What? What were the titles for? Prohibition, so people could go and drink.

48

00:42:51.590 --> 00:42:54.360

City of Toledo: spotted by the local poll.

49

00:42:56.670 --> 00:43:00.309

City of Toledo: Any other comments about the building? Yes, ma'am.

50

00:43:00.820 --> 00:43:03.939

City of Toledo: After walking around, looking upstairs, you know.

51

00:43:04.080 --> 00:43:09.300

City of Toledo: It makes sense to me to move to City Hall here. You could use that bottom...

52

00:43:09.740 --> 00:43:11.530

City of Toledo: for all the storage.

53

00:43:12.300 --> 00:43:14.909

City of Toledo: City Hall and police go well together.

54

00:43:19.020 --> 00:43:20.249

City of Toledo: Thank you, Denise.

55

00:43:21.810 --> 00:43:22.590

City of Toledo: Mr.

56

00:43:22.720 --> 00:43:25.010

City of Toledo: Fernando.

57

00:43:25.830 --> 00:43:27.000

City of Toledo: You a sprint, Yvette?

58

00:43:27.560 --> 00:43:30.389

City of Toledo: Why not finish the upstairs?

59

00:43:30.980 --> 00:43:32.449

City of Toledo: make it difficult?

60

00:43:32.940 --> 00:43:38.420

City of Toledo: I mean, we have to do everything at once.

61

00:43:38.650 --> 00:43:42.400

City of Toledo: That's what I was explaining to Sue Marthaler, I think Sue has...

62

00:43:43.440 --> 00:43:45.659

City of Toledo: Oh, oh, there she is!

63

00:43:46.960 --> 00:43:52.140

City of Toledo: So, once we know how the building will be laid out for what the functions are.

64

00:43:52.520 --> 00:43:54.740

City of Toledo: The points become the priorities get them in.

65

00:43:55.470 --> 00:43:56.300

City of Toledo: Right.

66

00:43:56.560 --> 00:44:03.240

City of Toledo: And that's where, like, say if we have to do this in 2 or 3 sconces of money, the first scone would be getting the police in.

67

00:44:03.560 --> 00:44:08.060

City of Toledo: But at least we'll know where they're gonna go, because we've got that plan moving forward of what it's gonna be.

68

00:44:08.490 --> 00:44:11.900

City of Toledo: Right now, we don't have that, and that's why we're asking the public.

69

00:44:12.570 --> 00:44:14.470

City of Toledo: Okay?

70

00:44:14.600 --> 00:44:25.010

City of Toledo: You know, your ideas are valuable to us hopefully figuring that out and getting something done in the near term, rather than this camp being punted again.

71

00:44:25.310 --> 00:44:28.390

City of Toledo: I do not want this hand punted again.

72

00:44:28.970 --> 00:44:34.099

City of Toledo: Okay, I don't want to give it to the next mayor and say, oh, here, you're... you're turned now.

73

00:44:34.480 --> 00:44:42.680

City of Toledo: Okay? Yeah. It's a rough estimate, I mean, just a guess, what would the current police department building itself

74

00:44:43.450 --> 00:44:46.200

City of Toledo: If you go by the current,

75

00:44:46.660 --> 00:44:53.540

City of Toledo: So, with what's in it, and by current land price, probably we can't... Empty?

76

00:44:54.320 --> 00:44:55.490

City of Toledo: 100,000.

77

00:44:58.710 --> 00:45:05.020

City of Toledo: Because it has certain amenities that just aren't in every other building, and you could possibly get that for it.

78

00:45:05.910 --> 00:45:06.950

City of Toledo: Yes, sir?

79

00:45:11.660 --> 00:45:12.370

City of Toledo: Understood.

80

00:45:15.140 --> 00:45:17.279

City of Toledo: I wouldn't go for receptionist.

81

00:45:17.660 --> 00:45:19.620

City of Toledo: Dispatcher to talk to the public.

82

00:45:20.630 --> 00:45:22.740

City of Toledo: Do they have to have?

83

00:45:25.000 --> 00:45:25.710

City of Toledo: Nope.

84

00:45:27.730 --> 00:45:33.199

City of Toledo: Because if we do... if we do it here, Alright, item right there.

85

00:45:36.940 --> 00:45:42.350

City of Toledo: Okay? Because it will be... it won't be open 24-7 to the public.

86

00:45:42.790 --> 00:45:46.310

City of Toledo: One, but they'll be able to come in and speak to

87

00:45:47.100 --> 00:45:59.070

City of Toledo: police ad... to the police admin assistant, if that's... if they want to talk to the police. If we can locate City Hall, you can come in, talk to them, talk to planning, talk to whoever you...

88

00:45:59.220 --> 00:46:00.320

City of Toledo: In one pill.

89

00:46:05.410 --> 00:46:06.389

City of Toledo: Anyone else?

90

00:46:07.400 --> 00:46:08.260

City of Toledo: There you go.

91

00:46:10.910 --> 00:46:11.979

City of Toledo: We don't know.

92

00:46:12.920 --> 00:46:14.030

City of Toledo: Hey, dear.

93

00:46:15.060 --> 00:46:16.899

City of Toledo: Take that broom up there.

94

00:46:17.700 --> 00:46:20.300

City of Toledo: And that's... that's up to these guys.

95

00:46:20.730 --> 00:46:29.000

City of Toledo: I would think the police department should be on the main floor, so that they're accessible to their cars, you know, for emergencies, and

96
00:46:29.640 --> 00:46:31.969
City of Toledo: People could get to them faster, too.

97
00:46:32.260 --> 00:46:33.229
City of Toledo: Yes, ma'am.

98
00:46:34.080 --> 00:46:38.979
City of Toledo: Plant accessibility, the police department, Oh, that's not fair?

99
00:46:39.540 --> 00:46:42.209
City of Toledo: So... They're pretty quick on their feet.

100
00:46:43.720 --> 00:46:45.689
City of Toledo: Unless they have all their gear on.

101
00:46:47.860 --> 00:46:49.320
City of Toledo: Yes, sir.

102
00:46:50.370 --> 00:46:53.540
City of Toledo: No comment.

103
00:46:54.840 --> 00:46:56.580
City of Toledo: Anyone else?

104
00:46:58.650 --> 00:47:00.610
City of Toledo: Yes, sir? I'll just throw it out.

105
00:47:00.800 --> 00:47:07.910
City of Toledo: The city is an old school.

106
00:47:08.030 --> 00:47:10.200
City of Toledo: For the content part.

107
00:47:11.910 --> 00:47:16.529
City of Toledo: Then you don't have to come in here and put in the big... Thank you.

108
00:47:20.330 --> 00:47:27.130
City of Toledo: Where else? I mean, you got... \$5 million to redo this.

109
00:47:30.570 --> 00:47:31.999
City of Toledo: First session? Okay.

110

00:47:32.430 --> 00:47:33.830

City of Toledo: So I'm playing fast hockey

111

00:47:39.040 --> 00:47:40.019

City of Toledo: Anybody else?

112

00:47:42.220 --> 00:47:46.129

City of Toledo: All right, well, grab some snacks on the way out, please.

113

00:47:46.590 --> 00:47:51.119

City of Toledo: We don't have any place to go with it. And thank you all for coming. Yes, very much.

114

00:47:51.770 --> 00:47:52.600

City of Toledo: So what's your time?
