**TOLEDO CITY COUNCIL
WORK SESSION**
April 27, 2022
6:00 p.m.

1. CALL TO ORDER

Mayor Rod Cross called the electronically to order at 6:00 p.m. electronically via Zoom in Toledo, Oregon.

Present	Absent	
X		Mayor Rod Cross
X		Council President (CP) Betty Kamikawa
X		Councilor Jackie Kauffman
X		Councilor Rob Duprau
X		Councilor Todd Michels
X		Councilor Wade Carey
	X	Councilor Tracy Mix

Staff present: City Manager (CM) Judy Richter, City Recorder (CR) Lisa Figueroa, Police Chief (PC) Michael Pace, Public Works Director (PWD) Bill Zuspan, City Attorney (CA) Mike Adams

2. PRESENTATION

Opioid/Fentanyl issues in Lincoln County

Presiding Judge Sheryl Bachart addressed the City Council and provided a presentation. She discussed the impacts of opioids and fentanyl cases and overdoses within Lincoln County. She said in addition to the coronavirus pandemic, the adoption of Measure 110 increased the challenges of addressing the issue in the County. She noted Measure 110 decriminalized several drugs including methamphetamines, cocaine and OxyContin and people are not taken to jail. She said fentanyl is cheap and included with other drugs. She said she has heard from people in her court that people would not have many any changes were it not for the consequences they faced. She indicated Lincoln County is re-establishing a team to address the issue with a detective position as a resource. She introduced several members of the community who were in recovery and spoke on behalf of the Presiding Judge.

The Council recessed at 6:49 p.m. and reconvened at 6:58 p.m.

3. JOINT MEETING WITH THE TOLEDO CEMETERY ASSOCIATION BOARD OF DIRECTORS

Library Board members present: Tony Molina, Larry Davis, Mary Leech, Dave Cole and Merrick Kriz. CA Adams presented the Settlement Agreement to the Toledo Cemetery Association Board (Board) and outlined the conditions included in the agreement.

Mr. Molina said he spoke to the Oregon Mortuary Board, who said the Board cannot sell any portion of an established cemetery. There was discussion about the parcel/property. The Board argued the .28 acres should be compensated because it was taken away from the cemetery. The Board asked if they could see a copy of the appraisal and CA Adams responded it is not available. The Board indicated they were meeting with the Council to establish trust and implied the Council has been quiet over the course of the meeting. Councilor Carey commented the Council intends to deliberate with the Board and the Council's offer tonight is for the Board to consider. He indicated

1 the Board may counter the offer if they do not agree with it. He said the Council is willing to come
2 to a solution, but the Council needs to take into consideration the Board's counter proposals and
3 stated the Council's process is not a quick process. After further discussion the Board said they
4 would consider the offer and respond to the Council.

5 6 **4. VISITORS/PUBLIC COMMENT**

7 There were no comments.

8 9 **5. CONSENT AGENDA**

10 There were no items for consideration.

11 12 **6. DISCUSSION ITEMS**

13 There were no items for consideration.

14 15 **7. DECISION ITEMS**

16 **Presenting a Settlement Agreement to the Toledo Cemetery Association**

17 This item will be rescheduled for consideration at a future meeting.

18 19 **Grant application review and authorization**

20 CP Kamikawa presented the information for the grant application. She said it is for a Wastewater
21 Treatment Unit for the City with the Sustainable Renewable Energy Utility Systems. She said she
22 would write the grant application could have CM Richter review the application before it is
23 submitted.

24
25 **Motion** – It was moved and seconded (Carey/Kauffman) to authorize Council President
26 Kamikawa to apply for a Department of Energy grant and the motion carried unanimously.

27 28 **New Liquor License Application request**

29 CR Figueroa presented the Council report.

30
31 **Motion** – It was moved and seconded (Kauffman/Michels) to recommend approval of the Liquor
32 License application for Let R Buck Liquor & Convenience and the motion carried unanimously.

33 34 **8. REPORTS AND COMMENTS**

35 Mayor Cross reported on his visit to the League of Oregon Cities Spring Conference and said there
36 is a planned state response from 24 cities in regards to the houselessness crisis. He solicited staff
37 for input and feedback on the issue. The Council discussed the recent action by the Newport City
38 Council where they designated neighborhoods as permissible camping areas. They discussed the
39 negative impacts that could have on the aesthetics of the neighborhoods and the possible liabilities
40 it could have on a City.

41
42 FC Robeson provided a department report and said the live fire activity was conducted without
43 any issues. He said it only took 12 minutes for the house to burn down.

44
45 PC Pace informed the Council that fentanyl is 50-100 more times potent than morphine and two
46 milligrams is enough to cause an overdose or death. He presented a video that demonstrated how
47 fentanyl could harm a person (Youtube link: <https://www.youtube.com/watch?v=zPTz3o20pPU>).

1 PWD Zuspan updated the Council on public works projects including a re-paving of First Street.
2 He said the High School pump station quit working approximately three weeks ago and staff is
3 having a difficult time finding a replacement.
4

5 CM Richter said the mural on Main Street was completed. She said the artist will return in June to
6 seal the mural. She thanked Public Works for their assistance with the mural. She reminded the
7 Council there is an Emergency Preparedness Fair for the community on May 2 between 5:00 –
8 7:00 p.m.
9

10 CP Kamikawa commented on having a family fun day at Memorial Field with different games
11 such as tug-of-war, cornhole, etc. She said rather than have a pot luck, the City provide hot
12 dogs/hamburgers and then families bring sides for themselves and CP Pace suggested they include
13 it with National Night Out.
14

15 Mayor Cross commended staff for their efforts through the pandemic and their work in moving
16 forward.
17

18 **9. ADJOURNMENT**

19 The work session adjourned at 8:45 p.m.

CITY OF TOLEDO REQUEST FOR COUNCIL ACTION

	Meeting Date:	Agenda Topic:
	May 25, 2022	SE Sturdevant Road Sewer Extension
Council Goal:	Agenda Type:	
Maintain and improve public infrastructure and facilities	Discussion Items	
Prepared by:	Reviewed by:	Approved by:
City Manager J. Richter	City Manager Judy Richter	City Manager Judy Richter

Recommendation:

Staff makes no recommendation, but is providing information for discussion.

Background:

This is a discussion item for possible infrastructure expansion on SE Sturdevant Road.

A developer is currently working on a subdivision application for approximately 15-30 lots off of SE Sturdevant Road. During the pre-application meetings, the developer asked if the City would accept a sewer STEP system.

A Septic Tank Effluent Pump (STEP) system is like a standard septic tank waste disposal system, except it pumps only the liquid (water) effluent from the septic tank. It does not pump solids or un-dissolved paper products. Like a standard septic tank system, the solids collect in the tank and must be removed by vacuum truck once every 7-8 years. The STEP system has three floats – one to trigger the pump to start, one to signal the pump to stop, and one is a high-water trigger for an alarm. Power for the pump is supplied from the homeowner. In Oregon, the Department of Environmental Quality allows this system in municipalities or districts, but requires the public agency to maintain the tank and the system inside the tank (pump basket, pump, floats, and pump discharge line to the street). The public agency must remove the solids in the tank (every 7-8 years), respond to alarms, and periodically inspect the STEP systems. The homeowner provides the power and is responsible for the line from the home to the tank.

The main question is if the City is even interested in STEP systems. Ultimately the City will be accepting responsibility for the installed infrastructure and do we have the ability to maintain the STEP system in a financially sustainable way. The other question is if the City wants to put any money towards SE Sturdevant sewer extension. The subdivision standards just say it has to be served by City sewer.

If a preliminary subdivision plat is approved by the Planning Commission, the following Toledo Municipal Code sections apply for subdivision projects and public infrastructure work. This is simply to show the developers responsibility for public improvements and the City's acceptance of the improvements (highlighted sections).

During the discussion and review of possible improvements, the City Council should only focus on the public infrastructure component. Any discussion on the actual subdivision proposal should not occur in order to avoid possible appearance of bias or limit ex parte contact if an appeal must be reviewed by the City Council.

**CITY OF TOLEDO
REQUEST FOR COUNCIL ACTION**

Toledo Municipal Code – Land Division Standards

16.12.140 Supplementary information.

The subdivider shall supply to the city manager the following information with the final plat:

- A. A preliminary or supplementary title report for the property being subdivided, including the exceptions, if any, that will be imposed when the final plat is recorded;
- B. A copy of the restrictive covenants to be filed with the final plat;
- C. Improvement plans for the facilities to be constructed by the subdivider, including plans for drainage, sewer, water, curbs and gutters, sidewalks and streets, and any other construction plan that may be required. All such plans shall meet or exceed the specifications for construction adopted by the city;
- D. A deed or deeds, satisfactory to the commission, conveying all land to be dedicated for public use other than streets;
- E. A statement to be fixed to the final plat which offers for public dedication all streets, pedestrian and bicycle ways, private easements of access, other rights-of-way, drainage channels, watercourses and any other property intended for public use;
- F. A statement from the Lincoln County assessor concerning unpaid taxes on the property to be subdivided.

16.12.150 Agreement for improvements.

The subdivider shall improve or agree to improve lands dedicated for roads, alleys, pedestrian or bicycle ways, drainage channels, private easements of access and other rights-of-way as a condition preceding the acceptance and approval of the final plat. Prior to the commission's certifying approval on the final plat, the subdivider shall either install all required improvements and repair existing streets and other public facilities damaged in the development of the subdivision or shall execute and file with the commission an agreement between the subdivider and the city specifying the period within which all the required improvements and repairs shall be completed. The agreement shall provide that if all of the required work is not completed within the time specified, the city may complete the work and recover the full cost and expense from the subdivider. The subdivider shall also post a performance bond as required by this title.

16.12.160 Performance bond.

- A. A performance bond, pursuant to this section, is required with the executed agreement to complete the improvements and repairs within the subdivision. The subdivider shall file with the agreement one of the following to assure full and faithful performance:
 - 1. A surety bond executed by a surety company authorized to transact business in the state of Oregon on a form approved by the city manager;
 - 2. Cash or a certified check in an amount fixed by the city manager; or
 - 3. Certification by a bank or other reputable lending institution that money is being held to cover the cost of the improvements and incidental expenses and that the money will only be released upon authorization of the city manager.
- B. Such assurance of full and faithful performance shall be for a sum determined by the city manager as sufficient to cover the cost of the improvements and repairs that may be required prior to acceptance, including related engineering and inspection costs and may include an additional percentage as determined by the manager to cover any inflationary costs which may be incurred during the construction period.

16.12.170 Final plat approval and recording.

- A. Upon receipt of the final plat and all supplementary information and documents, the planning commission shall determine whether the final plat conforms to the preliminary plat, the conditions of approval, and the ordinances of the city. If any changes are to be considered by the planning commission in the approved preliminary plat, the planning commission shall first hold a public hearing in accordance with this title.

**CITY OF TOLEDO
REQUEST FOR COUNCIL ACTION**

- B. If the planning commission finds that the final plat conforms to the approved preliminary plat, the conditions of approval, and the requirements of all city ordinances, the final plat may be approved and submitted for the necessary signatures. Approval by the planning commission shall constitute acceptance by the public of the dedication of any street on the plat and agreement by the city to maintain that street as a city street.
- C. The subdivider shall record the final plat with the clerk of Lincoln County within thirty (30) days of the date that the last required signature to the final plat has been obtained. If not, the subdivider shall resubmit the final plat to the planning commission which may require alterations in the final plat because of changes in the area of the subdivision.

**CITY OF TOLEDO
REQUEST FOR COUNCIL ACTION**

	Meeting Date:	Agenda Topic:
	May 25, 2022	Resolution No 1491, A resolution approving a rate increase for Solid Waste Disposal Services provided by Dahl Disposal
Council Goal:	Agenda Type:	
Not applicable	Decision Items	
Prepared by:	Reviewed by:	Approved by:
City Manager J. Richter	City Manager Judy Richter	City Manager Judy Richter

Recommendation:

Motion to adopt Resolution No. 1491, a resolution of the Toledo City Council approving a rate increase for Solid Waste Disposal Services provided by Dahl Disposal and repealing Resolution No. 1446.

Background:

The City has an exclusive Franchise Agreement with Dahl Disposal for provision of Solid Waste & Recycling Services within the City of Toledo. Toledo Municipal Code 8.16 provides the parameters for the rate adjustment based on audited financial reports. City staff have reviewed the rate request & related financial information and concluded that the rate request is in compliance with the allowable parameters.

Dahl Disposal is proposing a 6% increase.

Toledo Or. 97391

2022 Rate Review Report

Enclosed please find our Annual Report of Operations as required in Section 18.16.140 (g)(6) of the City of Toledo Code.

As required in this section, we have included an annual report of results of operations prepared by our CPA for the year ended 12/31/2021 (Exhibit A). We have also included a schedule of all additional allowable expenses that we anticipate for the current year (Exhibit B), Calculation of Operating Ratio for last year and the current year (Exhibit C).

Because this is an even numbered year, we are proposing to adjust the rates by 85% of the CPI-U West B/C ending April of this year. This index will be released by the Federal Government on May 15, 2022. When that is released, we will calculate the adjustment to submit. The maximum adjustment is limited to 6%. Because of the impact of inflation recently worldwide, I have estimated the adjustment to be 6%. Based on this data, our Operating Ratio is projected to be within the allowable range of 85% to 91%. When we submit the percentage, we will also include an amended proposed rate schedule, as Exhibit D.

We have included the schedule from our company Certified Public Accountant of the revenue and expenses subject to rate regulation in this packet. It is produced along with an entire company Reviewed Financial Statement. We have provided the entire Reviewed Financial Statement to the City Manager to allow verification of the data provided while maintaining the proprietary nature of the information included in the entire Statement.

As always, if you have any questions or concerns, we are happy to discuss this submittal at your convenience. In addition, if any issues are to be discussed at a council meeting please inform us so that we can plan to attend.

Respectfully,

Joseph Cook, General Manager

**CITY OF TOLEDO
RESOLUTION NO. 1491**

A RESOLUTION OF THE TOLEDO CITY COUNCIL APPROVING A RATE INCREASE FOR SOLID WASTE DISPOSAL SERVICES PROVIDED BY DAHL DISPOSAL AND REPEAL RESOLUTION NO. 1446

WHEREAS, the City has granted an exclusive franchise to Dahl Disposal Service as set forth in the Toledo Municipal Code (TMC) 8.16.070; and

WHEREAS, the City Council sets rates as presently provided in TMC 8.16.140; and

WHEREAS, Dahl Disposal has submitted a rate increase request, attached as Exhibit A in compliance with the requirements of TMC 8.16.140.

NOW, THEREFORE, THE CITY OF TOLEDO HEREBY RESOLVES AS FOLLOWS:

Section 1. To approve Dahl Disposal Services proposed rate request as presented.

Section 2. The attached rate schedule shall be in effect as of July 1, 2022.

Section 2. Resolution No. 1446 is hereby repealed in its entirety.

That this resolution is hereby adopted by the Toledo City Council on this 25th day of May, 2022.

CITY OF TOLEDO

Drinking Water Protection Plan Public Meeting

In-person and remote attendance options available

Monday, June 13 at 10 am

Location: Toledo Fire Station Training Room (285 NE Burgess Rd)

For a link to the Zoom meeting, visit the City's website.

MEETING WILL INCLUDE:

- Discussion about the process of developing the Drinking Water Protection Plan
- Overview of risks to the City's drinking water sources that have been identified and prioritized to date
- Time for public comments and questions

Community Input Needed

Please join us for a public meeting on June 13 to learn about threats to our drinking water sources and to provide input on the development of the City of Toledo's Drinking Water Protection Plan. The feedback you provide will help guide drinking water protection activities for years to come.

For information, please contact: Suzanne de Szoeki at sdeszoeki@gsiws.com or 541-257-9006
