Discussion and Information Items

City Council Tour of City Facility Projects

CR Bryant left the meeting at 6:10pm. Council, remaining staff, and Adam Denlinger left City Hall at 6:05pm and traveled to the following city facilities:

- **Skyline Water Reservoir and Slide Repair Project-** Council viewed the reservoir site and discussed the repair of the slide areas as well as the operations and maintenance of the water reservoir.
- **Mill Creek Canyon Overlook-** Council viewed the waterline location and discussed the history of repairs and the terrain challenges for the maintenance and repairs of the line.
- **Mill Creek Dam/Reservoir-** Council viewed and discussed the Dam/Reservoir structures including permit requirement, inspections maintenance programs, capacity, and fish passage procedures.
- **Mill Creek Raw Water Line Yaquina River Crossing at Elk City Road-** Council visited and discussed the Mill Creek raw water line/Yaquina River crossing and the adjacent habitat restoration work and considerations for future line maintenance, replacement and/or relocation work.

Council returned to the City Hall Council Chambers at 7:50pm.

Additional Council Comments

Council thanked staff for the tour and transportation and stated the tour was informative.
